## DINTORNI

Dintorni takes the 10 colours of the Pigmento collection and enhances them with a highly distinctive finish.

By playing delicately with the contrast between matt and gloss effects, Dintorni creates surfaces with bold, compact colours and attractive embossing that emphasize the collection's geometrical character.

Smooth and glossy, these ceramic strips feature a lowered border with a matt finish. The contrast between the recessed outline and the bright slim rectangles within results in layouts that evoke, on a compact scale, light and modern ashlar effects.

Dintorni riprende i 10 colori della collezione Pigmento per arricchirla con un rivestimento che vive anche di vita propria.

Giocando in modo delicato sulla contrapposizione tra lucido e opaco, Contrasti crea superfici dalle tinte compatte e non stonalizzate, che acquistano rilievo e ribadiscono il temperamento geometrico della collezione.

Liscio e lucido, il listello ceramico presenta una cornice ribassata opaca. Lo scarto tra la griglia incassata e gli slanciati rettangoli brillanti origina pose che evocano, su scala ridotta, un bugnato moderno e luminoso.

bianco, grigio, fango, nero, malva
