

ARTAIC
INNOVATIVE MOSAIC

Arabesque

A COLLECTION OF INTRICATE PATTERNS
INSPIRED BY CENTURIES OLD DESIGN

Efficient Design

Our unique software enables fast, visually accurate designs, allowing us to collaborate with you and achieve your exact design intent.

Custom Samples

We provide free, project-specific samples and ensure they arrive in time for the big presentation.

Fast Production

Our robotic system assembles custom mosaics more accurately and quicker than ever - ensuring your mosaic doesn't affect project deadlines.

Custom Tile Made Simply Beautiful

Through fast design iterations, free sampling and robotic production in the USA, Artaic makes the process of custom architectural tile-work as simple as purchasing stock products.

With our process, the tile, color, and scale of all Artaic designs can be easily adjusted to fit any space or surface.
