## ASTORIA

Reminiscent of the style-forward days of Old Hollywood and New York in the roaring twenties, Astoria brings all the dazzle, elegance, and flair in modern-cut classic forms with just the right amount of shimmer.

We have selected the most serene color palette – dusty hues in metallic gloss for a more sophisticated look, or metallic silk for a nuanced effect.

For grand hotels, resorts and spas, restaurants and bars – or for the residential metropolitan or coast haven – Astoria is sophisticated, soothing and elegantly modern.

*We are committed to delivering the highest quality handcrafted tile to you.  
Variation in shade, texture and size are inherent characteristics of our handcrafted tile. Always inspect  
your tiles before they are installed as installation constitutes acceptance.*

## JUST SO YOU KNOW. . .

- Astoria Flute is 4mm thick. All other sizes 8mm thick.
- Highball, Tumbler and Flute are mesh mounted
- Must be cut very slowly to achieve the best cut
- "Stir Stick" is a finish trim shown in photo above
- Variation in color and metallic texture such as small imperfections (lines, dots, wrinkles) in the backing may be present and can be visible once installed. These are natural characteristics of the handcrafted process and do not affect the integrity of the tile.
