

Please note:

LUNA is a Hand Worked *UNFILLED* material. Variation from piece to piece is typical.

The moldings for LETOON, KEKOVA and Olympos v.1 are the same as the original LYCIAN line. Feel free to use the other moldings for those three colors as well!

we recommend to ALWAYS set from multiple (4-5)  
cartons to adequately blend the installation

Sealing is an important step in the installation and maintenance of any NATURAL STONE!

We recommend the use of a premium quality PENETRATING SEALER.
